

OFFICE OF THE SECRETARY OF STATE

JESSE WHITE • Secretary of State and State Librarian

August 2017

Dear Talking Book Patron,

Thank you for being a valued member of the Talking Book and Braille Service (TBBS). Recently, Reaching Across Illinois Library System and Illinois Heartland Library System consolidated their TBBS services with the Illinois State Library. Now, the Illinois State Library will be serving your TBBS needs. Although there have been some changes in the location of the talking book library, you will not experience a change in the high level of service you are accustomed to receiving. All services remain open Monday through Friday, from 8 a.m. to 4:30 p.m. In addition, the toll-free phone numbers remain the same.

As State Librarian, I am committed to providing excellent public library service to all Illinois residents who are unable to read standard print material due to a permanent or temporary visual or physical disability. I encourage you to tell family and friends about this service and its availability to those eligible throughout the state.

For more information or questions about your service, call the Talking Book and Braille Service at any of the following toll-free numbers: 800-426-0709, 800-757-4654 or 800-655-5576, option 1.

We look forward to serving you.

Sincerely,

A handwritten signature in cursive script that reads "Jesse White".
